Dear Friends,

In the last digital challenge and ecosystem building year, we witnessed a tremendous growth in the number of startups and investments. It is heartening to see the current digital economy growth. We are also seeing a lot of interest from the ecosystem and the VC & PE. Number of Unicorns, Exits, Investments, Funding, Startups, Jobs, Tech Talent, Digital Economy, Digital Transformation, Digital Adoption, Digital Skilling, Digital Inclusion, Technology Innovation, and Entrepreneurship are continuously growing. We are continuously grooming the foundations, Technology Innovation, Entrepreneurship, Digital Transformation, Technology Adoption, and Digital Skilling.

We are also continuously focused on Deep Technology, Tech Innovation, Tech Talent, Tech Startups, Tech Adoption, Tech Skilling, Tech Inclusion, Tech Entrepreneurship, Tech Ecosystem
